

# WORK ENVIRONMENT POLICY

---

Buch & Holm offers guidance, sale, support and service of equipment to laboratories and the industry.  
Our address is Marielundvej 39, DK-2730 Herlev.

The employees are the most important assets of Buch & Holm.  
Therefore, we work actively to ensure a safe, healthy and attractive work environment,  
which is improved continuously

The aim of our work environment policy is to:

- Create an attractive and motivating work environment.
- Pay attention to each other, in order to ensure a better physical work environment.
- Systematically eliminate or reduce all kinds of incidents and accidents.

The company is committed to:

- Sustain a safe and healthy working environment.
- Eliminate hazardous working conditions and reduce risks in general.
- Ensure that the employees know and understand the work environment policy and act accordingly.
- Outline the work environment, renew the action plans annually and follow up on these on an everyday basis.
- Ensure that the employees know the action plans and their own impact on the work environment.
- Continuously measure and observe the work environment.
- Comply with all applicable rules and regulations.
